INTERNATIONAL Polled Shorthorn Sale

19

45

The Farmers Friend

December 6, 1945 - 10 A. M.

SALE PAVILION STOCK YARDS
CHICAGO, ILLINOIS

PREFACE

Knowing that Chicago is generally considered headquarters for cattle I feel that it is the most suitable place for a sale of some of the tops of our breed. Hence have asked a few of my friends to join me with some of their best, and hope to make this an annual event.

The sale will be held in the International Sale Pavillion the day following the Shorthorn Congress.

Terms Cash unless otherwise arranged.

Guarantee will be the Standard Guarantee of the American Shorthorn Breeders Association. Which is very liberal and universally satisfactory.

Mail bids may be sent to The Shorthorn World, The Drovers Journal, Indiana Farmers Guide or The Eastern Breeder. c/o Shorthorn Association, Record Building or any member of the Shorthorn Association Faculty.

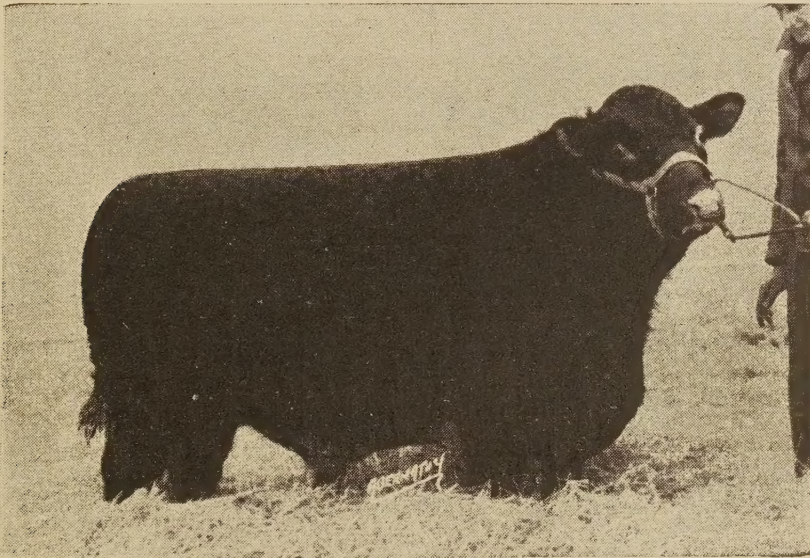

Col. Jack Halsey and Col. Donald Stafford, Auctioneers.

Helen Painter, Clerk.

There is much that can be said for Polled Shorthorns. They are good milkers and good mothers and put on weight with less concentrated feed than others. That is, they do well on rough feed and the by-product of the farm and make more profitable and less expensive gains, and their polled heads make them very desirable.

Durham cattle are naturally a docile breed. It is very seldom that the bulls have been known to become unruly or cross and I have no knowledge of a member of the Polled branch having had inclinations to show temper. Their disposition is a great asset. They are usually good doers, putting on pounds when others are fretting and fussing.

P. G. ROSS

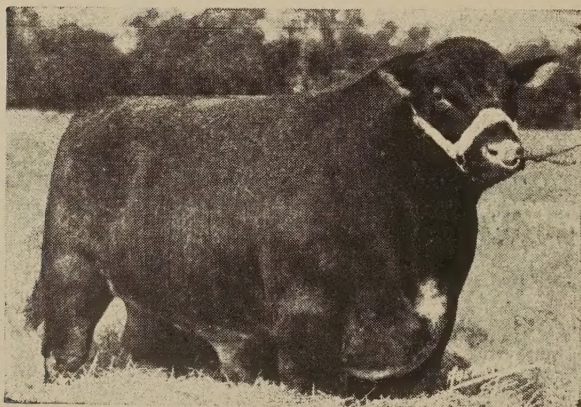

MAXWALTON WALKAWAY

Top seller of his year in the Congress purchased by M. L. Boyle and resold a few days ago after having used him 4 years to McDonnell Farms for \$2,000.

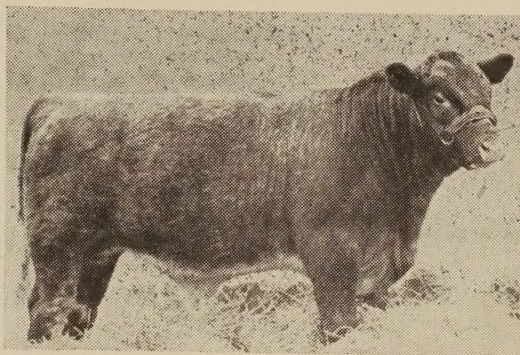

In offering this consignment we do so feeling that they are as good as the herd ever produced.

LEEDALE COLLYNIE—International Grand Champion—whose blood is much in evidence in those pedigrees.

Present Stock Bull. In color and confirmation he has few equals.

CEREMONIOUS RODNEY x2299102

Lot 1, Bull

Tattoo R E A-73

Roan, calved March 6, 1945. Bred and owned by Leemon Stock Farm, Hoopeston, Illinois.

Sire:

Oakwood Magic King x2065895
Roan, C. B. Teegardin & Sons

CEREMONIOUS QUEEN OF SCOTS 8th. A good roan heifer out of one of our top cows; a dark red who had a brother and sister both exported to Australia. Her full sister was a member of our pair that won the Linwood Award at Lafayette last Fall.

PREFACE

In offering this consignment I do so feeling that they are a very desirable lot. Their color and conformation are all that could be asked for. They are not excessively fat but are in good breeding condition as they are the kind that respond to feed and I have no apology to make for them. Much of the blood lines have been in my possession over 40 years. My efforts have been to advertise only such cattle as I would like to keep.

Having dominated the leading shows of North America for many years with the old Maxwalton Herd—getting the lion's share of the spoils—I could see that there was a growing demand for polled cattle and good fortune gave me the Polled bull Maxwalton Acrolith for which the late Charles Leemon offered me \$1000.00 when cattle were comparatively cheap, but as the bull had failed the Bang's Test, of which we knew but little at that time and there was no sale, and I was handicapped in getting much use of the bull, but had three cows in calf to him and one gave me Maxwalton A-Wun.

For some time I was undecided as to quitting the horned cattle and not until I had polled calves to sell did I realize that there was much more demand for them than those with horns of the same quality. Besides I feel that the business is yet more fascinating. I used to look forward to calves coming and guess on good or not so good, but now those that come with horns are less appreciated.

I am sorry that it was not possible to have an expert make pictures of them and those we have had to use are photographs from life and have not been worked over in any way.

My Guarantee will be the same as the others, but I have no hesitation in giving a retest for Bang's on those that may be wanted for accredited herds.

Respectfully,

P. G. ROSS

MAXWALTON WAVERLEY 2nd Is a deep bodied deep colored cherry red. He is well developed and smooth fleshed, an all-around great sire prospect. A sister to his dam is one of the great breeding cows in the Teegardin herd. They are from the Rosewood 86th. branch that made the name for the Rosewoods. They have been bred free from objectional features for many generations and can be relied on to breed that way. He is the making of a great sire in any herd.

MAXWALTON KING COLE. A nice roan with great bulk and quality. He is the kind that will add much to any herd in thickness and real merit. He is from the same dam as Maxwalton Walk-A-Way that has done so much for the Mick Boyle herd. She is also dam of Maxwalton Heap Much that is giving so much satisfaction in the herd of Wilbur Alexander. King Cole has a good short thick head, is on short legs, is well put together with one of the thickest and bulkiest bodies ever seen on a bull of any breed. His color and conformation are right. See him if you are looking for the best.

MAXWALTON TRUE MEASURE. Is well named. He is a deep cherry red. Is true in alinement and color. Is entirely free from harsh or rusty markings, has lots of body on short legs. A sister topped the International Sale in 1941. Another was Champion at the State Sale in 1944. His dam has been one of my best breeding cows. He will be a valuable bull in any herd as his breeding is free from objectionable features for many generations.

Breeders of Sires

MAXWALTON MASHER. A cherry red with real head and thick body. He is entire'y free from harsh or rusty markings, and is bred that way. He is from a great line of breeding. The Edgcote Missies are generally considered the best bunch of Shorthorn females that ever left Great Britain. This bull is of that family and has Maxwalton Flatterer in his pedigree; although he was never shown I considered him one of the best ever in the old Maxwalton herd. See this calf. You will like him. He is a brother to Maxwalton Master 3rd, that is giving so much satisfaction in the Walter Barnhart herd. Three heifers by him are in this sale.

MAXWALTON BIG MEASURE. Is as the name implies: is big for his age. He has a great body deep and thick, and an extra good head. He is a deep cherry red and if I could use him to advantage I would like to keep him for a herd bull, but I feel that my whole herd is too closely related to him. His dam is the grand-dam of Maxwalton Full Measure and the dam of Maxwalton Gloster 70th. that sold to Mrs. A. S. Hewitt for \$2500.00. A brother to this calf was Champion and topped the State Sale last year and I retained a half interest in him. As a sire prospect I like this calf. His dam is a great cow; from indications this may be her last calf, but she looks like a five-year-old in her sixteenth year.

MAXWALTON GOOD MEASURE. Is a beautiful deep cherry red. Is just about as near right in color and conformation as can be asked for. His head and general outline are right. He is low-set and well put together. He is from the Rosewood 86th. branch that done all of the making of a name for the Rosewoods. He cannot help but make a good sire as his breeding is right for many generations.

MAXWALTON GLOSTER 126th. Is a big heifer with lots of smoothness and quality. Like all of my "Glosters" she is more than a fair heifer. She was weaned young but is doing good and will make a great cow. She is a sister to Maxwalton Wanderer a great bull in the herd of Marad aFarms, Lexington, Ohio. Also from same dam as the grand "Gloster" cow in the Potter herd, Avon, Illinois. Vaccinated for Bangs.

MAXWALTON ROSEWOOD 97th. A good roan. Has lots of scale. Her mother is one of our best and this will make a big thrifty cow. She belongs to the Rosewood 86th branch that made the name of "Rosewood" famous. They are regular breeders and long livers and have produced many great bulls. Vacinatd for Bangs.

MAXWALTON GLOSTER 129th. A beautiful red Show heifer. She is smooth and well developed for her age and from a great line of breeding cows. They were the best family in the old Maxwalton herd, and although I have owned them forty years there has never been a disappointing animal among them. Vaccinated for Bangs.

BARNHART CONSIGNMENT

Walter Barnhart consigns those three beautiful heifers sired Maxwalton Master 3rd. This bull was considered by me as the best calf of his year. His color and conformation are right. Many had him picked for the winner at the Congress where Mr. Barnhart bought him. He was only a baby and a little out of fix that day, but stood well up in his class and has been a very satisfactory purchase for Mr. Barnhart.

P. G. Ross.

MAXWALTON GLOSTER 102nd

**Congress Grand Champion and highest priced seller in any of those sales.
By same sire as Maxwalton Master 3rd**

INTRODUCTION FOR EIKENBERRY

A few words by way of introduction of our consignment to this sale. We feel highly honoured to be called on to make a contribution in this particular event; as we believe after a thorough analysis of this catalog you will agree that the contributors to this offering have the sires, blood lines and seed stock to make this one of the greatest Polled Shorthorn Offerings possible to assemble in America at this time.

Any one seeking a high class herd bull or female whose individuality, breeding and color are modern in every respect will find them in this sale. We invite you to come to Chicago Dec. 6th and be your own judge.

Relative to our own consignment. We have never offered as great a lot of high class herd bull prospects, from every angle, as we are putting in this sale. Everyone a great individual in excellent condition, with heads and colors that will appeal to the most critical buyers. They will be breed improvers. The females we are selling have only been fed grain during the last sixty days and as a result are not carrying a lot of fat, however, they are of good quality, a well bred lot, that will develop into a very desirable lot of cows. They are of the same kind that we have built a reputation of making good for their new owners.

We are selling our cattle subject to the guarantee endorsed by the American Shorthorn Breeders Association.

One of the major reasons for buying Zendale Polled Shorthorn cattle is that they invariably make good for others. Breeders and farmers who buy them, both large and small. Many have come here and purchased their third and fourth bull. There must be a reason for this. These cattle making good for others is a very simple procedure: as follows. First, because they are bred right. The main reason is because they are not excessively overloaded with fat for the express purpose of selling at exorbitant prices. Most such animals are taken home, let down to the average breeding condition and the owner of the animal wakes up to the fact that a multitude of sins were covered beyond recognition by the excess of fat which formerly deceived him, and that after all he only had about 25% of the animal he formerly paid for. Abnormal conditioned animals do not usually pay dividends to their new owners. Nurse cows are an unknown factor in our herd. Good Shorthorn cattle have the ability to stand squarely on their own merits to make good without giving credit to one of the so-called dairy breeds to rear their calves to superiority.

We do not believe in offering our cattle in thin condition, but only in the prime of breeding condition. It should always be remembered that an animal that looks good in average condition will always look better in finished condition. However, finished animals do not always look good when let back into average breeding condition.

VERN G. EIKENBERRY.

This is a pasture scene of a group of heifers produced at Zendale, which are typical of the females produced here. They are all daughters of Zendale Village Court.

LANCASTER OF ZENDALE 15TH

Sold in the 1944 Teegardin sale to H. L. Straus, Cherry Hill Farm, Reisterstown, Md. for \$1150.00. Second high selling female in this great sale. She is sired by Royal Rosewood x2951006.

LANCASTER ZENDALE 16TH

Sold in the 1944 Teegardin sale to Dr. Park G. Smith, Cincinnati, Ohio for \$1000. She is also sired by Royal Rosewood.

LADY DOROTHY ZENDALE 98th

Sold in the 1944 Teegardin sale to Farnley Farms and Mrs. A. S. Hewitt of White Post, Va. for \$925. She is sired by Zendale Village Count.

ZENDALE VILLAGE COUNT

Zendale Village Count is well known to almost all Polled Shorthorn breeders the country over and really needs no introduction. However, we do want to say, as this photograph indicates, he carries the bloom, smoothness, and activity of a two year old in his eight year old form. He is thick, mellow fleshed and very easily kept.

He has been a great improving factor in this herd as well as many other good herds, who are using his blood; we refused \$1,000 by an Australian buyer for export for this bull but have never regretted we did not sell him; his daughters as well as his grandsons and granddaughters will be the main feature in our consignment. 75% of the females in our herd today are his daughters and granddaughters.

ZENDALE CLIPPER COUNT

We believe this bull displays about everything one could ask for in a herd bull, he is low set, broad, deep, and smooth and has a solid deep red color, plenty of bone and Masculinity and as a 2 year old weighed 1800 and his bull calves promise all the superiority of their sire. His breeding is ideal, being a son of Zendale Village Count and his dam being a good, natural Polled sport short-horn Rosewood cow, we purchased at an International sale, being sired by a double grand son of the great Clipper Monarch and his second dam by a double grand son of the International grand champion Cumberlands Gift. We have used him liberally in the herd. He is proving a great sire.

ROSEWOOD RENOWN The Double Grand Sire of Royal Rosewood

ROSEWOOD RENOWN, is one of the best sons of Rosewood Masterpiece, being sold by us to J. H. Clamm & Sons of Upland, Ind., by whom he was shown each year he was eligible to show, winning Junior Champion at the International and was an undefeated bull in class at the International and State Fairs during his entire show career. We also sold a full sister, Lady Dorothy 16th, to Mr. Robert McFarlane of Grand Rapids, Mich., that won First Place at the International and State Fairs in 1932.

For Reference Only.

We seriously regret that it was impossible to get a photograph of Royal Rosewood as he is a great individual, displaying a lot of shorthorn character, size, thickness, very rugged with plenty of substance and bone, with general smoothness and a beautiful deep red coat. He is bred to be a great breeding bull; his sire being a double grandson of the International Champion Rosewood Renown "bred by us," and his dam grandsired by the International grand champion Highland Stamp, and his second dam grand sired by the many times International grand champion Ceremonious Sultan.

He is also proving to be a great breeding bull; the calves being very broad, low down and rugged, with plenty of quality and thickness. His second calf was exported to Mr. Norman Jayne of Ontario, Canada to head perhaps the best Polled Shorthorn herd in the Dominion; several of this bull's calves will be in the sale, you will like them.

His daughter, Lancaster of Zendale 15th was the second high selling female in the 1944 Teegardin sale.

ZENDALE CAPTIVATOR is without question one of the greatest, if not the greatest show type bull we have ever bred, and we believe one of the most modern type Polled Shorthorn bulls to be found any where, bar none. We have refused many long offers for him because we wanted him for this Chicago sale. If it was not for his extreme close relationship to our own herd he would not be offered for sale at all. He has an all deep red color as does his sire, dam and double grandsire. He is very outstanding in his entire confirmation from end to end and from top to bottom and possesses quality and general smoothness hard to surpass. His broad, short head and neck as well as his short straight legs, we consider almost faultless.

He has one of the best Lavender Pedigrees to be found. Better own this bull than later regret not owning him.

ZENDALE ROYAL PURSE is one of the really high class bulls that have been produced at Zendale. A beautiful dark roan that has an exceptional good clean head which displays a world of Masculinity and Shorthorn character. He should have a great dehorning capacity.

He is rugged, heavy boned, deep, broad, straight lined bull that will attain plenty of size. He is a full brother to a great bull that was recently exported to Mr. Jane in Canada, also a half brother to two heifers that are pictured in this catalog, which sold for a total of \$2150, in a recent Teegardin sale. We refused an offer of \$750 this summer for this bull by Mr. E. S. Harvey from the Island of Jamaica. Buy him and own one of the best.

Lot 36, Bull**Tattoo R E A64****ZENDALE CLIPPER MONARCH x2288847**

ZENDALE CLIPPER MONARCH is another great son of **Zendale Clipper Count**, having the promise of a great future. He has a short, broad, deep thick, smooth body with extra full quarters and well sprung rib. His short, broad head and neck with no scura would indicate his capacity as a dehorner. This bull is also a great individual, standing on short legs, in his general makeup he very closely resembles his half brother **Zendale Captivator**. He deserves plenty of consideration of those wanting the best. His breeding could not easily be improved upon, his sire and dam both being very popular bred Rosewoods. In checking the lineup of sires in his pedigree for four generations and you will find it well lined with champion blood including the International Grand Champion **Lee Dale Collynie** as a grandsire. You will make no mistake on this one.

ZENDALE ROYAL COMMANDER is a very nicely turned son of **Royal Rosewood**, and has a very nice even dark roan color. His dam is one of the last daughters of **Rosewood Masterpiece**, she is also out of the same cow as the great breeding bull **Zendale Village Count**. She has been a great producing cow. The Sire and Dams Sire of this calf are both proven 100% dehorners and we think this calf will also be. He is a very desirable calf from end to end. You will like this one.

ZENDALE CREST is another son of Clipper Count that will bare rigid inspection, and as well bred as can be found. He is low set, with a short, deep, broad body, and has a short, broad head that looks the part of a great breeding bull. Will also be a good dehornér. He has plenty of red ancestry to correct colors in his calves. He will make a bull you will be proud of owning.

ZENDALE REVOLUTION 2D is the shortest legged calf we ever bred. Any one wanting a bull that is really built right on the ground will like this one. He is a heavy bodied dark roan calf with lot of prize winning ancestry, none more popular bred. Due to the fact that his mother died when he was very young he should be some heavier, look him over he might be the very bull you have been hunting.

Several have selected **ZENDALE ROYAL COUNT** as their choice of our lot of sale bulls this summer, and personally I can see reasons for their choice, being very uniform in his general makeup from end to end. He is hard to criticize. Has a beautiful solid dark red color as does his dam, she is one of the very choice cows of our herd. This bull has good depth and width, stands on short, straight, heavy legs, is exceptionally smooth over tail setting, he is very smooth throughout and has well proportioned head with no scurs. He should prove a great breeding and dehorning bull. Look him over sale day, you will like him.

GRACEFUL OF ZENDALE is a nice heifer with a beautiful red color and having a popular LAW GRACEFUL pedigree. There is none better bred. She also has the distinction of carrying a nice concentration of the great her sire ZENDALE VILLAGE COUNT through two of his greatest sons ZENDALE BANDIT and ZENDALE CLIPPER COUNT. We believe this heifer should make a valuable addition to any herd. Breeding date will be made known sale day.

LANCASTER OF ZENDALE 17TH comes from a branch of the LANCASTER family that has done exceptionally well for us at ZENDALE. Two of the heifers sold to Mr. Teegardin, referred to elsewhere in this catalog were bred almost precisely like this one, and they were in no way superior to this one. In fact we believe this heifer to be better than either of them in the same flesh condition. She is modern in type from end to end, has a most beautiful long red coat, same as her Dam and Grandam. She has a very neat feminine head. If you want one with a great future, buy her. Breeding date made known sale day.

ROSEBUD OF ZENDALE 6TH is the kind every one likes. Being a solid red in color and her excellent confirmation, with a very trim, breedy looking head and most popular breeding should make her a popular selection. She is a three quarter sister to the second high selling female in the 1944 Teegardin sale. More fitting would qualify her for a top in most any sale. Royal Rosewood makes an excellent cross on Zendale Village Count daughters.

LADY DOROTHY ZENDALE 100TH is a nice smooth dark roan heifer. Her mother is an excellent individual as well as a great producer. This heifer has a full sister that is the best built cow in our herd, however, due to congested condition last winter this heifer was weaned pretty young and as a result she isn't carrying as much flesh as we would like her to have, but she is a good quality heifer and will make a great cow. Her breeding is one of the best on both her sires and dams side of the pedigree. She sells open.

ROSEWOOD OF ZENDALE is a very neat built little heifer, has a beautiful dark red roan color, almost a solid red and has nicely shaped feminine head as one could wish for. Her breeding is of the very best being a popular bred **ROSEWOOD** and having the distinction of her dam being a full sister to our great herd bull **ZENDALE CLIPPER COUNT** and being sired by the great sire **ROYAL ROSEWOOD**. You will note the grandam of this heifer **ROSEWOOD 16TH** is a polled sport. This is the first female of this breeding we have offered for sale. She sells open.

FOREWORD

It is a pleasure to present the following 7 Lots of cattle to the lovers of good cattle. A study of their breeding should create considerable interest in the fact that they represent the owner's initial offering of that highly popular and good Polled Shorthorn breeding bull—MAXWALTON A WUN sx 1720811.

The bull lived 12 years and 4 months. He is now gone but nevertheless continues to live in the memory of those breeders who know of his life's record. He will be further and much better remembered by those breeders who are fortunate in adding his offspring to their herd of breeding cattle.

The interest of lovers of good cattle will be appreciated by the founder and proprietor of the A WUN HERD of Polled Shorthorn Cattle.

CRUSADER is a grandson of Maxwalton A Wun, and is out of the same cow as Lot 52. Crusader was used for service shortly after he was a year of age and at present has eight young calves to his credit—two of them will have horns while six are natural hornless.

These young calves are the best proof that Crusader is a proven sire. Persons interested in purchasing this young bull are invited to come and see these calves before Dec. 6.

This bull (Lot 49) and the following 6 females (Lots 50 to 55) received vaccinations for Bangs Disease while yet calves.)

CAPTAIN'S BROWDALE 2d, SIRE, Browndale Captain 1580513 by Browndale Count 1156438, out of Collynie Flora 1337233. **DAM**, Orange Blossom 10th 1652101 by Maxwalton Clansman 2d 1159489, out of W. F's Orange Blossom 2d 1191329.

(**NIFTY ROSEWOOD A WUN 2d** was on pasture with my other cattle from April 1 to Aug. 1, 1945. Later she and the remainder of my offering were kept in the barn during the day with a feed of grain and hay—two feedings per day. She sells bred as of Sept. 25, 1945 to Fame Ladas. The breeding of Fame Ladas is herewith offered for your information and may be found on the following pedigree.

For Reference Only.

MILLBROOK ROYAL MINA 3rd. Although white this is a real deep bodied heifer from a dam that has produced a good calf every year. Just look at the pedigree and the individual and you will want her. Vaccinated for Bang's.

AVONDALE 245144

The original Maxwalton sire. Has no equal in history as a getter of winners and great sires. His blood predominates in the herd.

MAXWALTON FULL MEASURE
X2003308

Has been siring tops wherever offered. The Polled feature is the ultimate type. The last word in bovine improvement.

Dear Sir:

Nov. 9-1945

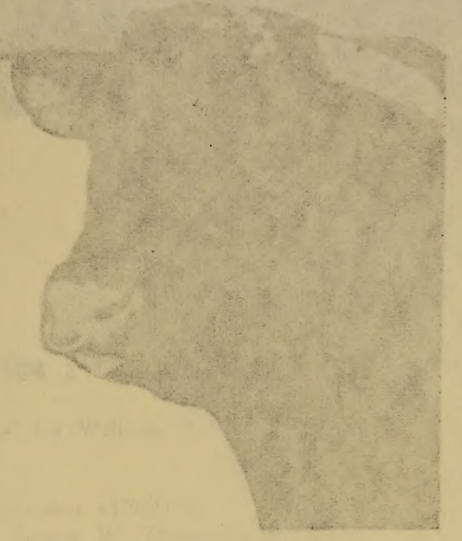

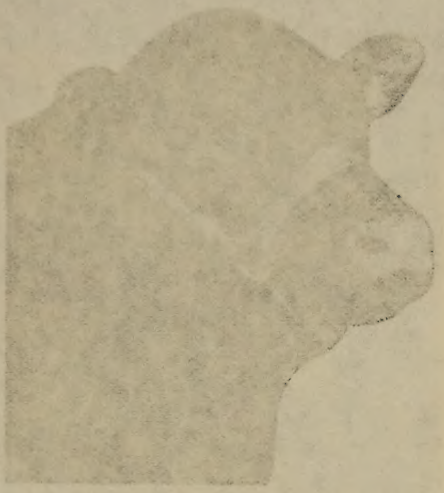

We have your inquiry for catalog. It will be sent to you soon. Have been delayed by using the cuts for advertising. The pictures of the cattle that are for sale are home made and nothing artificially worked over. They are true likenesses of the animals as will be seen sale day.

Trust you will be with us and I am sure you will like the offering.

Yours very truly
